

Paper Template for COMP90049 Report

Anonymous

1 Introduction

This is a report template, suitable for L^AT_EX(it doesn't model very much). Don't use fonts smaller than this one (Times 11). Don't include a title page, table of contents, abstract, or other similar front matter.

Please don't include your name and/or student ID in the title or header; your report should be anonymised for the reviewing process. Don't forget that you must cite the corpus (Wikipedia contributors, nd).
